

WHATS ON IN 21 @ THE HUT

Subject to the Governments permission we intend to reopen the Hut @ 2.00pm on Friday 25th June to which everyone is invited to come along and join in to celebrate what we all hope are better times to come.

Rather than reopen little by little the Trustees have taken the decision to wait a little longer and then start all of the activities from the 25th. Those who run the activities, Jane Simms with the Yoga classes, Dave Giddings with Tai Chi, Cath Jenkinson who organises the Library along with our film club guru Ivor Worth will all be in attendance.

Additionally the following people will be joining us for you to talk to with a view to starting these activities at the Hub rather than having to travel into town.

Angela Hutchinson - Beauty Therapist (partner in The Secret Sanctuary Whitby)

Jamie Risato L.C.S.P (Phys) - Massage Practitioner

Bev Allen S.A.C Dip.RFHP - Foot Health Practitioner

Kelly Marie - Zumba Fitness Instructor

For those of you new to the village please do come along and meet your fellow residents and find out what goes on and what lurks inside the building. There will be cake and drinks on offer.

The weekend will be rounded off with music.

Friday Night Moonshine Rye in Concert playing Americana, Bluegrass & Roots.

Saturday Night Rob Van Sante & Janie Meneely are leading an evening of Folk Music.

Sunday Afternoon Eliza Carthy M.B.E is leading an afternoon sing around.

Dates to look forwards too:
